MEMORANDUM FOR ALL JONES BEACH BOARDWALK PARTICIPANTS

SUBJECT: Standard Operating Procedures

FROM: Lt Col Warren M. Weiss
LIG/CDC

Please read the instructions below concerning participation at the Jones Beach Air Show:

OFFICER IN CHARGE: Capt Mark Del Orfano (lqr.cmdr.288@gmail.com)

LOCATION: Jones Beach Boardwalk, east of Central Mall and west of the East Bathhouse. Closest parking is either Parking Field #4 or #5.

REPORT TIMES: **Due to anticipated traffic, all members must arrive at Jones Beach NLT 0700.** Staff assembly: 0800. All other participants: 0830. **Contact your squadron commander if you need to arrange transportation to and/or from Jones Beach.**

SAFETY BRIEFING: 0900. The daily Safety Briefing is not optional - ALL MEMBERS are expected to attend.

"If you're early, you're on-time. If you're on-time, you're late. If you're late, go home."

PARENTS - Pick-up Time: 5:00 - 5:30. If anyone other than your cadet's parent or guardian is picking them up after the event, you **MUST** provide a letter (or email) authorizing us to release your cadet to this other person. Parents are respectfully requested to make every effort to pick-up on time. We understand that the traffic will be bad. Consider coming in the morning and staying for the day. Many of our Senior Members and Cadet Staff will be working all day, every day and it isn't fair to them if you are very late. They must wait until the last cadet is picked-up to leave themselves.

This is first and foremost a **RECRUITING OPPORTUNITY**. You will be expected to know basic facts about CAP and be able to speak to the general public. Study your G.K. and be prepared to tell others what CAP is all about.

CADETS MAY NOT ride in any aircraft or vehicle without expressed written permission, **IN ADVANCE**, from parents and the operator of the aircraft or vehicle.

U.O.D.: ABU, Corporate field or working uniform, or Cadet Alternate Uniform. All uniforms must comply with CAPR 39-1.

REQUIRED ITEMS:

- CAPID
- (2) [CAPF 161](#)
- [CAPF 60-80 \(Cadets\)](#)
- [CAPF 17 \(Seniors\)](#)
- (3) 16-oz. water bottles or equivalent
- Snacks and a bagged lunch

PLEASE EAT BREAKFAST prior to arriving in the morning. Recent experience has taught us that cadets do not fully understand this requirement. We mean eating a balanced breakfast; not having a few cough drops, a piece of candy, a can of soda or beef jerky.

If you are not feeling well, please stay home and inform your squadron commander.

Note that this is a warm weather event, and we will be in the sun most of the day. Bring sun tan lotion and pre-hydrate. Bring a rain poncho if the weather forecast calls for rain.

IMPORTANT - all bags and backpacks are subject to search. DO NOT bring any knives or other weapons with you as you may be turned away! This applies to survival knives in 24-hour packs and pocket knives.

Prepare for a long day and have fun!

Sincerely,

WARREN M. WEISS, Lt Col, CAP
Deputy Commander for Cadet Squadrons
